1.	2022	STEAM-Based Cross-Disciplinary Blended Learning Enrichment and Assessment Book Model to Develop 21st Century Skills and Science Literacy of Elementary School Students (Year II)	Chairman, Basic Research of Simlitabmas ristekdikti in 2021	87.000.000
2.	2022	Development of STEAM Science Teaching Materials to Improve Sais Literacy for Students (Year III)	Chairman, Post-FKIP Grant - PNPB Bengkulu University	18.000.000
3.	2021	STEAM-Based Cross-Disciplinary Blended Learning Enrichment and Assessment Book Model to Develop 21st Century Skills and Science Literacy of Elementary Students (Year I)	Chairman, Basic Research of Simlitabmas ristekdikti in 2021	95.000.000
4.	2021	Development of STEAM Science Teaching Materials to Improve Sais Literacy for Students (Year III)	Chairman, Post-FKIP Grant - PNPB Bengkulu University	15.000.000
5.	2020	Effectiveness of STEM Learning Models to Develop Creative Thinking Ability and Environmental Literation For Primary School Students	Chair, International Collaborative Research PNPB UNIB	75.000.000

6.	2020	Development of Science Teaching Materials for Biology-Chemistry Content with a Science Technology Engineering Art, And Mathematics (STEAM) Approach to Improve Science Literacy of S-2 Basic Education Students (Year I)	Chairman, Post-FKIP Grant - PNBP Bengkulu University	15.000.000
7.	2019	Application of Project Based Learning (PjBL) to improve science literacy of S-2 basic education students in science lectures	Chairman, Post-FKIP Grant - PNBP Bengkulu University	15.000.000
8.	2019	Development and validation of prototype learning modules for natural science courses Elementary schools oriented inquiry-based learning	Member, Post-FKIP Grant - PNBP Bengkulu University	15.000.000
9.	2019	Development of a Balanced Literacy Model and E-Learning "Reading, Writing, and Creating Awards" Based on Multiple Intelligences to Grow the Character of Elementary School Students Year II	Competency-Based Research	120.075.000
10.	2018	Development of the Literacy Program "Reading, Writing, Creating" Awards in Elementary School Students.	Chairman, Kemenristek Dikti Competency Grant	102.000.000
11.	2018	Web Mobile System With Intelligent Spatial Model for Education on Earthquake and Tsunami Disaster Mitigation in Bengkulu City	Member, Excellent Research of Bengkulu University	29.000.000
12.	2017	Development of ICT-Based Integrative Thematic Learning for Cultivating Disaster Preparedness Attitudes and Skills for Elementary School Students	Chairman, National Strategy Grant Year III Kemenristek Dikti	90.000.000
13.	2017	Development of Thematic Teaching Materials Based on Local Culture in Bengkulu Province	Kemenristek Dikti Year II Competitive Grant	55.500.000
14.	2017	The influence of the Leraning Diskoveri Model in Science Learning on scientific attitudes and process skills in Grade IV elementary school students.	Chairman, Basic Education S2 Study Program Development Grant	8.500.000
15.	2016	Development of Alternative Assessment to Facilitate Teachers to foster a Sense of Student Responsibility for Flooding Problems	Partnership Partnership Grant with Univ.Mulawarman Year II Kemenristek Dikti	100.000.000
16.	2016	Development of ICT-Based Integrative Thematic Learning for Cultivating Disaster Preparedness Attitudes and Skills for Elementary School Students	Chairman, National Strategy Grant Year II Kemenristek Dikti	85.000.000

17.	2016	Development of Local Budaaya-Based Thematic Teaching Materials in Bengkulu Province	Dikti Competitive Grant Year I Kemenristek Dikti	50.000.000
18.	2015	Development of Alternative Assessment to Facilitate Teachers to foster a Sense of Student Responsibility for Flooding Problems	Partnership Grant with Univ.Mulawarman Year I Kemenristek Dikti	100.000.000
19.	2015	Development of ICT-Based Integrative Thematic Learning Development for Cultivating Disaster Preparedness Attitudes and Skills for Elementary School Students	Chairman, National Strategy Grant Year I Kemenristek Dikti	76.000.000
20.	2014	Development of Inquiry-Based Elementary Science Books to Improve Scientific Attitudes, Critical Thinking, Concept Understanding, Environmental Awareness, and Natural Phenomena for Elementary School Students	Chairman, Ditlitabmas Competency Grant Dikti Year III Kemenristek Dikti	117.000.000
21.	2013	Development of Inquiry-Based Elementary Science Books to Improve Scientific Attitudes, Critical Thinking, Concept Understanding, Environmental Awareness, and Natural Phenomena for Elementary School Students	Chairman, Ditlitabmas Competency Grant Higher Education Year II	100.000.000
22.	2012	Development of Inquiry-Based Elementary Science Books to Improve Scientific Attitudes, Critical Thinking, Concept Understanding, Environmental Awareness, and Natural Phenomena for Elementary School Students	Chairman, Ditlitabmas Competency Grant Higher Education Year I	94.500.000
23.	2011/ 2012	Implementation of Science Learning Using a Value Clarification Approach with Computer Media for the Development of Process Skills, Science Conception, and Student Character through Lesson Study at SDN 09 Bengkulu City	Chairman, Research Grant Program DIA BERMUTU Batch III year2nd year Unib	30.000.000
24.	2011/ 2012	Development of a learning model for basic concepts of science2 based on problem solving and performance assessment with the use of blogs to improve process skills, critical thinking, concept understanding, and developing student character	Member Unib 2nd year QUALITY DIA BERMUTU Program Teaching Grant	20.000.000
25.	2011	Development of Disaster Preparedness Thematic Learning Model to Increase Concept Understanding, Awareness of Disasters and Learning Motivation of Elementary School Students in Bengkulu.	Head Grant Compete Year III	50.000.000

26.	2011	Application of Value Clarification Approach with Computer Media for Character Development and Multiple Intelligences of Students through Lesson Study at SDN 08 Bengkulu	Head Puslitjak Dikdasmen Kemendiknas Jakarta	26.500.000
27.	2010/ 2011	Implementation of Thematic Learning Value Clarification Model with Computer Media to Improve Process Quality, Multiple Intelligences (MI), and Student Learning Outcomes Through Lesson Study at SDN 01 and SDN 08 Bengkulu City	Chairman, Research Grant Program DIA BERMUTU Batch III year 1st Unib	30.000.000
28.	2010/ 2011	Implementation of the Environmental Approach by Using Blogs (online journals) in Mathematics Problem Solving Learning Lectures to Improve the Competence of Prospective Elementary School Teachers.	Member, 1st year 1st Year QUALITY DIA BERMUTU Program Teaching Grant	20.000.000
29.	2010	Development of Disaster Preparedness Thematic Learning Model to Increase Concept Understanding, Awareness of Disasters and Learning Motivation of Elementary School Students in Bengkulu	Head Year II Competitive Grant	45.000.000
30.	2010	Development of integrated PLH learning models in science subjects to improve understanding of concepts and awareness of the environment and biodiversity preservation using an environmental approach	Member, Year I Competitive Grant	28.750.000
31.	2010	Efforts to Improve the Quality of Processes and Learning Outcomes of Basic Concepts of Student Science through Environmental Approaches and School Gardens as Learning Resources	Chairman, Teaching Grant layoff S1 PGSD-A FKIP Unib	20.000.000
32.	2009	Development of Disaster Preparedness Thematic Learning Model to Increase Concept Understanding, Awareness of Disasters and Learning Motivation of Elementary School Students in Bengkulu	Head Year I Competitive Grant	42.500.000
33.	2008	Improving Understanding of Concepts and Life-Skills of Class XD Students of SMAN 6 Bengkulu City with a Contextual Approach and School Garden as a Learning Resource	Head Preceptary Grants Layoff A2 JPMIPA FKIP Unib	28.875.000
34.	2009	Efforts to improve teacher competence and learning outcomes of elementary school students in science learning use the Science Technology and Society (STM) approach.	Head Kemi-traan Grant Layoff S1 PGSD-A FKIP Unib	20.000.000
35.	2007	Development of Contextual Science Learning Models through Inquiry Strategies and learning communities to Develop Teacher	Head Competing Grants	45.500.000

		Competencies and Life-Skills of Elementary School Students.		
36.	2007	School Garden-Based Thematic Learning.	Chairman, Partnership Grant Layoff S1-A FKIP Unib	30.000.000
37.	2007	Development of SD Science Learning Model with School Garden as a Learning Resource to Improve Learning Achievement and Competence of PGSD Students.	Member, Teaching Grant Layoff S1 PGSD-A FKIP Unib	10.000.000
38.	2006	The Influence of Learning Strategies on Concept Understanding, Critical Thinking Ability, and Scientific Attitudes of Grade V Elementary School Students with Different Academic Abilities	Dissertation, PPS UM Malang DUE LIKE PGSD	Scholarship
39.	2005	Application of guided Inquiry Strategy in science learning to improve mastery of concepts for grade V students at SDN 69 Bengkulu City	Head Self-sufficient	3.000.000
40.	2004	Integrated Learning Model of Package System for Hyperactive Children in Primary School.	Member Year I Competitive Grant	30.000.000
41.	2004	Formative Evaluation of Processes and Products in Relation to Science Learning Outcomes of Elementary School Students in Bengkulu City	Head of Researcher, Higher Education/Young Lecturer	4.000.000
